PARAMETER	VALUE	NOTES
Survey method	Phone-assisted IVR + door-to-door	Dual method for rural+urban coverage
Sampling	Stratified random (village-level quotas)	Proportional to population
Period	1 Jan – 31 Mar 2026	Q1 aggregation window
Verification agents	12 field verifiers	Each verifier covers 4 villages
Govt data sources	PMIS, OMMAS, NIC portal	Cross-referenced for Level 1 claims

Executive Summary

MLA Rajesh Kumar achieved a performance score of 72/100 for Q1 2026, reflecting above-average constituency service delivery across Kurnool Assembly. Of the 47 development claims filed, 16 have achieved ground-level or citizen-level verification (Levels 2–3), representing a 34% full verification rate. Water infrastructure shows the strongest citizen satisfaction (4.1/5), driven by the Jal Jeevan Mission bore well program. Health infrastructure remains the weakest sector (2.4/5), with PHC upgrades pending completion. Citizen sentiment has improved 7 percentage points over 6 months, from 61% to 68% positive.
